Merchant Discounts for Military Personnel

Many merchants offer discounts to military members, both active and retired in recognition and appreciation to debt owed the military throughout the years. For a list of these merchants, go to this website:

http://www.military-money-matters.com/military-discounts.html

Although these companies offer discounts, NOT ALL STORES DO. Ask the cashier and be prepared to show proof of eligibility. Also, not all cashiers are fully trained. If the cashier denies the discount, contact customer service or a manager.
